West Orange, New Jersey — September 2026 — The Vincent A. Huggins Foundation (VAH) proudly extends heartfelt congratulations to **Audrey Maison Ministries** on the **10th Anniversary of the Judy and Jane Project**, a decade-long initiative dedicated to saving lives through breast cancer awareness, education, and early detection among women in Ghana, West Africa.

Ten years of dedicated service represents a significant milestone and reflects the unwavering commitment of Audrey Maison Ministries to improving the health and well-being of women and families throughout Ghana.

Through the Judy and Jane Project, women are provided with valuable information about breast health, the importance of early detection, and the warning signs and risks associated with breast cancer. By increasing awareness and encouraging women to take proactive steps regarding their health, the project brings not only education, but also **hope, empowerment, and the opportunity for earlier intervention.**
